Our Credit Packs offer our members, and possibly your referrals, a high value product that advertisers want to use. For the purchase price of \$49.99, you will receive 550 Regular Credits and 10 Credit Boosters. You can then use these Credits to advertise an unlimited number of text ads in the Traffic Exchange. Each 1 Regular Credit is the equivalent of 1 impression of the text ad that you assign it to in the Traffic Exchange, and each 1 Credit Booster will make your ad show for 30 seconds instead of 10 when someone clicks on it!

Not only that, but each Credit Pack you purchase will qualify you for one share-in-profits every 20 minutes 24/7 until you have received \$60 in return (\$3 goes to your Available Advertising Fund)! Talk about Value!

In order for your Credit Pack purchases to earn shares-in-profit, you must click on a minimum of 10 text ads within the Traffic Exchange daily. Once you have purchased your Credit Pack(s), make sure to click on "Setup / Edit Campaign(s)" and then "Manage Campaign(s)" to assign your credits to your text ads.
